

IA Symposium and Training Workshop

Sponsorship Opportunities

February 22 – 26, 2010

Bay Point Marriott, Panama City Beach, Florida

Symposium Overview: The SecureInfo IA Symposium and Training Workshop brings together information assurance professionals from the DoD, civilian government, intelligence community and industry. It provides a unique setting for education and discussion where participants will:

- Take training and certification classes on the latest DoD, NIST, and other regulations
- Earn CPE credits for CISSP and CISM
- Network with peers and industry experts to share challenges, approaches, and best practices
